Gentlemen

Replying to your favor of 3^d inst.,
I am not exactly in the market just now
for any thing. What did you do with the
1837-8-9- dollars you bought at the mills sale
I would have liked them very much - but they came
a little too high for me to indulge in. At what
price can you furnish 1904 - Proof dollars - ?
Yours truly F. E. Ballister
